

Event to celebrate History, Art and Community!

Farm Fresh RI is proud to present for sale to the public historic marble that traveled from Georgia to Providence in the 1890s to be used in the construction of the Rhode Island State House.

RIFT: 2023, Providence State Capitol marble, anodized aluminum, 20"x 18"x 11"

I purchased some remnants of the Providence State House marble found by Farm Fresh RI.

The RIFT was created by dividing the marble into two parts. The two pieces are connected by a ribbon of anodized aluminum which represents the force of water in geologic terms.
